Consent for Treatment - Minor

I, _____ and _____ hereby request
(Parent/Legal Guardian) (Parent/Legal Guardian)
that my child, _____, born on _____ be accepted for mental
(Patient Name) health treatment as
described to me.

1. I/We give my authorization and consent to have the child named above receive outpatient diagnostic and treatment services from The Family Connection.
2. I/We understand that I/We have a right to have the child's information kept confidential. This information will remain confidential unless certain criteria are met; written consent to disclose certain information, if the child is in imminent danger or an imminent danger to self or others, if the child disclose's abuse (physical, sexual, etc. or neglect) that The Family Connection is required by law to report, or if a court requires specific information.
3. I/We have received and understand the child's Rights and Responsibilities as a Family Connection, LLC patient regarding treatment and agree to these rights and responsibilities.
4. I/We have been given the Notice of Privacy Practices of The Family Connection which describes how medical information about the minor child may be used and disclosed.
5. I/We have been given The Family Connection's Social Media policy which describes how we conduct ourselves on the Internet as mental health professionals and how you can expect us to respond to various interactions that may occur between us on the Internet.
6. I/We acknowledge that it is the policy of The Family Connection to obtain consent from both legal parents/guardians for services to a minor child under the age of 14. Should one legal guardian actively deny consent for treatment, services will generally not be provided unless extenuating circumstances have been presented and approved by the clinical management team where it has been clearly demonstrated that more harm would come from not receiving treatment or that the consent of the other legal guardian is not able to be obtained.
7. I/We acknowledge that The Family Connection conducts on-going in-house training and that details of the child's case, without identification of the patient, may be discussed to improve treatment during clinical supervision.
8. I/We have been given information regarding the cost of services from The Family Connection. I understand that I/we may be responsible to pay a co-pay and that it is payable each time I receive treatment. I/We also acknowledge that I/we am/are responsible for any fees not covered by the insurance company for the child.
9. I/We understand that I/We may discontinue treatment of the child at any time.
10. I/We have been given information about the advantages and disadvantages of the treatment recommended, as well as other alternatives. As with any effort to create lasting change, counseling requires time, energy and commitment. Counseling can feel frustrating because we cannot control the pace of change. On the path toward healing, clients may experience an increase in painful feelings; this is a normal part of the process.
11. I/We understand that I may address any concerns or grievances with my child's therapist or any other representative of The Family Connection at any time. I understand that the best practice is to work with the therapist and supervisor to resolve any complaints but understand

that I may also contact the licensing board which regulates my child's therapist's professional practice.

12. I/We authorize the release of any medical, mental health, or other information to my health insurance carrier or the other person or company paying for my treatment. The release of such information should be limited to that necessary to process claims for payment. I/We have a right to examine and request a copy of any information disclosed to insurers or other payors under this paragraph.
13. I/We authorize payment of medical benefits to The Family Connection for treatment services.
13. I/We acknowledge that the therapeutic process is most effective when family members and the therapist make a commitment to the therapeutic process. I/We understand that I/we will be assessed the full session fee for all/any appointment cancelled without 24-hour notice.
 1. I understand that the role of the therapy is treatment and it is policy of The Family Connection not to testify or otherwise participate in any legal proceeding unless legally compelled to do so. I agree not to involve The Family Connection in any legal disputes, especially a dispute concerning custody or custody arrangements (visitation, etc.). I acknowledge as the parent/legal guardian of the adolescent child that if The Family Connection or any of its staff is subpoenaed regarding my adolescent child's care that I, as the legal guardian, will be financially responsible for all costs associated as outlined on the Client Financial Agreement per hour for time spent traveling, preparing reports, testifying, being in attendance, and any other case-related costs.

The signatures below reflect that I/We agree to the terms set forth above.

The Family Connection will file insurance claims as a courtesy to those clients who are eligible for reimbursement through their insurance. However, the patient and/or financial/legal guardian are responsible for all fees associated with the services provided. We participate in many healthcare plans and work to provide each patient with a clear understanding of the patient’s financial responsibility for services provided. The patient should understand they are responsible for payments – these payments can be made by the patient directly, by the insurance company or by a combination of both. Below is a listing of the approximate fees that may be associated with your care:

I acknowledge that I have read and understand my obligations regarding the various options for reimbursement of services received at The Family Connection by initialing below:

Cash Patient/Sliding Scale – I agree to pay the entire session fee (s) prior to services rendered. I agree to submit a complete, thorough and accurate reflection of my entire household income by submitting monthly paystubs etc., to determine financial eligibility for a discount on services. I understand that I am responsible for paying the entire session fee prior to services being rendered, in order to qualify for a sliding scale discount.

Insurance Policy Coverage/Centennial Care - I understand that I am financially responsible for any applicable deductible, co-insurance or co-pays associated with my policy. I understand that my insurance plan may have negotiated specific rates for services rendered and I would be responsible for the cost my specific insurance has identified, provided my insurance covers the service. Should services be denied, I understand that I am responsible for all fees associated with my account and my care. I understand that my plan may have certain restrictions with regard to

yearly visit limits, services covered, etc. and understand that I am fully responsible for ensuring my insurance has the information they need to provide coverage for the claim.

Records Requests/Court Fees – I understand that I am responsible for all fees associated with records requests and/or court fees. I acknowledge that these fees will not be covered by my insurance policy.

FINANCIAL POLICY STATEMENT

1. I understand that I am responsible for paying the full amount of each therapy session. TFC accepts cash, Visa, MasterCard, Discover and Health Savings Account cards as well as payments by check and debit cards. Payments may also be made in person and over the phone.
2. I understand that I may make a payment myself, use insurance, or use a combination of these two methods to pay.
3. TFC reserves a time slot especially for the patient. I understand that The Family Connection requires 24 hours' notice of cancellation of a scheduled session. Failure to cancel within this period will result in a charge for the session up to the billable amount of \$100/hour.
4. I understand that The Family Connection will file insurance claims as a **courtesy** to those clients who are eligible for reimbursement through their insurance. If my insurance plan includes a co-pay, I understand that I am responsible for paying the co-pay on the day of the session. If the co-pay amount changes, I understand that I am responsible for paying the new amount for all sessions covered by the change. If, at any time, my insurance company denies coverage, I understand that I am responsible for the full amount of the session(s) not covered by the insurance. I understand that if I have an insurance policy with an annual deductible, I may be responsible for the full amount of the session(s) until that deductible is met and that payment will be due at the end of each session. I understand that if the insurance company sends payment for services directly to myself, that balance must be sent or dropped off at The Family Connection at either the Rio Rancho or Los Lunas Office locations within 72 business hours of receipt.
5. I understand that I am responsible for notifying The Family Connection immediately of any changes in my insurance, including canceling a policy and/or plan changes. I also understand that I am responsible for paying all sessions according to those changes.
6. I understand that it is my responsibility to set up a payment plan as soon as possible, in the case there are financial difficulties interfering with my ability to pay. We will work with each client to create a suitable payment plan. The Family Connection expects that you adhere to the contract

you establish and notify us if the payment contract would need to be renegotiated. We do utilize the services of a collection agency. I understand that The Family Connection will refer any balances over 60 days, not in a payment contract, to our collection agency and any fees associated with the collection agency, will be my responsibility. TFC reserves the right to require payment for services to be made at or before the time of service for outstanding balances over \$500. I further understand that TFC may refuse to see patients whose outstanding balances are over \$500, and who are not making regular payments on the balance.

- 7. I understand that The Family Connection believes that the issues you have brought to counseling are important. We ask that you participate in this counseling contract by keeping the appointments you schedule.
- 8. The parent/guardian is responsible for payment of services rendered to your dependents account. I understand that it is the policy of the Family Connection that in circumstances where the parents share legal custody that both parents shall be responsible for the payment of services provided their child. I agree to accept that responsibility for such payments.

Attestation Statement:

I have read, understand, and agree to comply with The Family Connection Client Financial Responsibility Policy outlined above. I understand that I am responsible for all charges associated with my care, including but not limited to charges not covered by my insurance company, as well as applicable co-payments and deductibles. I acknowledge that these policies do not obligate The Family Connection to extend credit.

I authorize my insurance benefits to be paid directly to The Family Connections, LLC.

I authorize The Family Connection to release pertinent information to my insurance company when requested or to facilitate the payment of a claim.
